DATASHEET

Flexible Cable Duct, total length: 1300 mm, black

General data

A practical way to keep your wiring to the desk tidy and structured. The flexible cable duct routes cables from floor to desk and provides mechanical protection and strain relief. The vertical cable structure allows power- and data-cable segregation. Recommended for Sit-Stand Desks

Features

- Flexible vertical cable duct
- Snap-in interlink blocks with steel base plate (diameter: 7”)
- Total length: 1300 mm
- Dimension of a single square duct element: 67 x 35 mm
- Flexible and therefore recommended for desks used in sitting and standing working position on the desk
- The routing can be shortened by removing some elements
- Two separate channels help to keep organized power and data cables
- Material: ABS, steel
- Color: Black

Package Contents

- 1x flexible cable duct
