

DATASHEET

Techly USB 3.0 Switch 2 PC inputs 4 PC outputs

General data

4-Port USB 3.0 Switch: Allows 2 PCs or notebooks to share 4 USB 3.0 peripherals, such as printers, scanners, keyboards, USB flash drives, USB hubs, external hard drives, mice or more without constantly replacing USB cables or install network sharing software

Through the switch button, you can easily switch between computers and the LED indicator shows the working status of the PC in use; Compatible Windows, Mac and Linux

Supports USB 3.0 data transfer speeds of up to 5 Gbps, to work seamlessly with high-bandwidth USB 3.0 devices. It is backwards compatible with USB 2.0 and USB 1.1 devices

For stable performance and broader compatibility, when connecting devices that require more power (such as HDDs, digital video cameras, SSDs, etc.) additional power is required via the included USB-C™ port

Features

Allows two computers to share a minimum of one to a maximum of four USB 3.0 peripherals with data transfer speeds of up to 5Gbps

Office equipment: scanners, printers, keyboards and mice, video surveillance cameras, etc.

Gaming equipment: controllers, USB headsets, high-end keyboard and mouse, HD webcam, etc.

Professional equipment: graphics tables, USB video capture card, high-speed card reader, etc.

Plug and play: The USB switch requires no drivers and can be adapted to any operating system

The blue console LED indicator lets you know which computer is active

Supports remote control

Backwards compatible with USB 2.0/1.1 specifications

DATASHEET

Techly USB 3.0 Switch 2 PC inputs 4 PC outputs

Material: aluminum alloy

Colour: silver

Dimensions

Width: 102 mm

Depth: 53 mm

Height: 18 mm

Compatibility

Windows

Mac

Linux

Certifications

EC

RoHS

WEEE

Package contents

1x USB3.0 Switch

1x USB power cable

1x Remote control cable

2x USB-A connection cables

1x Instruction manual

Technical properties

Suitable for 19 inch mounting	False
-------------------------------	-------

Available variants

ArtNr.	Bezeichnung	Unique
IUSB-SW3024	Techly USB 3.0 Switch 2 PC inputs 4 PC outputs	Unique

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
