## LTC BASIC STRAPS, hook and loops set of 10 pcs black

### General data

LTC BASIC STRAPS have a surface material made of ultra soft velour.

You can open and close the double-sided nylon fastening tape as often as you like and reuse it for all kinds of purposes.

The LTC BASIC STRAPS are extremely durable and can be used outdoors all year-round.

Thanks to their small hooks, LTC BASIC STRAPS are dust-resistant for a even longer service life.

Thanks to a mounting loop, the cable tie remains firmly attached to the cable even when open.

### Technical properties

|              |                             |
|--------------|-----------------------------|
| Band closure | Hook-and-loop fastener      |
| Fluorescent  | False                       |
| Material     | Plastic                     |
| Model        | Hook-and-loop fastener tape |
