DATASHEET

LTC EASY TAPE STRAP Double-Sided Hook & Loop Tape Roll 8 m x 20 mm white

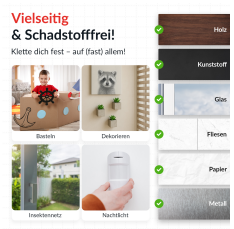

General data

The LABEL THE CABLE EASY TAPE STRAP is the ultimate self-adhesive hook-and-loop tape for quick, reliable indoor mounting! With this self-adhesive tape (20 mm wide, 8 m long), you can securely and quickly mount pictures, cushions, and other items—without drilling or driving in nails. There is no waiting time involved, as EASY TAPE can bear weight immediately after application. You can also cut out individual small adhesive hook-and-loop dots, allowing

LTC EASY TAPE STRAP Double-Sided Hook & Loop Tape Roll 8 m x 20 mm white

you to customize the tape to suit any need. This makes LABEL THE CABLE EASY TAPE an ideal, reusable alternative to double-sided tape.

Why choose the LABEL THE CABLE EASY TAPE STRAP?

• Immediate load-bearing capacity: Fully load-bearing right after application—no waiting time required! Forget weak adhesives! Temperatures from 0°C to 65°C
• Reliable hold: Premium hook-and-loop fastener for secure attachment
• Versatile application: Perfect for walls, furniture, and RV/campervan fittings and accessories
• Easy to use: Cut, attach, done – no tools required
• Surface-friendly: Removable without leaving residue or damage. Versatile applications:
• Hanging pictures and wall decor without drilling
• Securing cushions and textiles to walls and furniture
• Securely fastening items in RVs and caravans
• Organizing cables and electronics in the office or at home
• Temporary installations for events and presentations. Bring order and stability to your life with LABEL THE CABLE EASY TAPE – the smart solution for all fastening tasks that don't require drilling.

Order now and experience stress-free organization!

INSTANT ADHESION AND LOAD-BEARING: EASY TAPE hook-and-loop tape can bear weight securely immediately after application—strong adhesive power with no waiting times (unlike conventional adhesive solutions), perfect for quick attachments without drilling.

FLEXIBLE USE: The 8 m roll (20 mm wide) allows you to cut custom hook-and-loop dots or strips to any length or size—suitable for everything from small decorative items to large wall art or upholstered elements.

VERSATILE APPLICATION: Ideal for hanging pictures, securing cushions, or mounting wall decor—the perfect alternative to drills, nails, and double-sided tape for walls, furniture, and RVs, as well as for crafting projects.

STRONG HOOK-AND-LOOP GRIP: Premium hook-and-loop fastener ensures a reliable hold – keeping your valuable items securely in place. Suitable for temperatures between 0°C and 65°C.

REMOVABLE WITHOUT RESIDUE: A versatile alternative to conventional double-sided tape – can be removed when needed without leaving adhesive residue on walls or surfaces. Exercise caution with wallpaper and porous surfaces!

Technical properties	
Band closure	Hook-and-loop fastener
Fluorescent	False
Material	Plastic
Model	Hook-and-loop fastener tape
Operating temperature	0 – 65 °C
Solvable fastener	True
