DATASHEET

Cable Tray for PRO 42U, Steel Sheet

General data

The vertical cable tray made of sheet steel from EFB-Elektronik is designed for orderly cable routing in the cabinet and supports use in PRO 40-42U server and network cabinets. The cable tray design is intended for vertical mounting on the lateral depth struts and, with a width of 150 mm, offers a clear guide solution in a metallic look.

- Vertical cable routing in the cabinet – for structured cable routing along the lateral depth struts.
- Designed for the PRO cabinet series – suitable for PRO 40-42U installations.
- Robust sheet steel design – as a cable tray with a width of 150 mm and metallic colour.

The design is designed for practical use in professional cabinet environments. The attachment to the lateral depth struts ensures that the cable tray is clearly positioned in the cabinet. In 600 mm wide cabinets, installation is only possible on the inside of the depth struts, as installation between the depth strut and the side wall is not provided. The cable tray and mounting material are included in the scope of delivery.

Technical details
- Brand: EFB-Elektronik
- Cabinet series: PRO
- Design: Cable tray
- Width: 150 mm
- Colour: metallic
- Material: Steel

DATASHEET

Cable Tray for PRO 42U, Steel Sheet

- Construction/use: For vertical cable routing in the cabinet
- Attachment: On the lateral depth struts
- Note: Can only be mounted on the inside of the depth struts in 600 mm wide cabinets
- Scope of delivery: 1 x cable tray, mounting material

Technical properties	
Cabinet Series	PRO
Material	Steel
Model	Cable trough
Packaging	Cardboard
Scope of delivery	1 x Cable trough, Mounting accessories
Structure/Use	For vertical cable management inside the cabinet. Attaches to the side depth supports. Note: In 600 mm wide cabinets, it can only be mounted on the inside of the depth supports (it won't fit between the depth support and the side panel).

Available variants

ArtNr.	Bezeichnung	Colour	Depth	Suitable for enclosure building height	Width	Height
PRO-KRI42B	Cable Tray for PRO 42U, Steel Sheet	metallisch	30 mm	40 - 42 U	150 mm	1800 mm

Note on Intended Use

This data sheet is intended solely to describe the technical characteristics of the product. It does not replace an assessment of the product's suitability for a specific application. The user is responsible for ensuring that the product is used in accordance with its technical specifications and applicable legal and regulatory requirements.
