## Multi Function Rail Horizontal, Cabinet Depth 1200 mm, for PRO

### General data

Multi function rail for mounting between the cabinet poles>For universal mounting of accessories, cable routing etc.  
Positioning in any height possible  
Material steel  
Delivery 1 x rail incl. mounting material

### Technical properties

|                   |                                                                                                                                          |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Cabinet Series    | PRO                                                                                                                                      |
| Material          | Steel                                                                                                                                    |
| Model             | Mounting rail                                                                                                                            |
| Packaging         | Cardboard                                                                                                                                |
| Scope of delivery | 1 x Mounting rail, Mounting accessories                                                                                                  |
| Structure/Use     | For universal attachment of accessory components, cable management, etc. Infinitely height-adjustable via clamp connectors in the stile. |
