

DATASHEET

Vertical Cable Management 42U, 1 Piece, RAL7035, for PRO

General data

The vertical cable duct from EFB-Elektronik is designed for orderly cable routing on the side of the 19" level in the PRO cabinet series. The version as a cable tray made of steel in grey RAL 7035 combines a robust construction with a clearly structured cable routing.

- Vertical cable routing with removable front cover and quick-release fastener for quick access to the cable routing.
- Mounting on the side depth struts for use in PRO cabinet series with 800 mm housing width.
- Robust design made of steel in grey RAL 7035 for a stable and clear installation.

The design is designed for practical use in professional 19" installations. Mounting on the side depth struts creates a clean vertical guide along the side of the cabinet. With a width of 100 mm, the cable tray remains compact. For installation, it may be necessary to adjust the profile depth in the cabinet.

Technical details

- Brand: EFB-Elektronik
- Cabinet series: PRO
- Design: Cable tray
- Construction/use: For vertical cable routing on the side of the 19" level
- Mounting: On the lateral depth struts

DATASHEET

Vertical Cable Management 42U, 1 Piece, RAL7035, for PRO

- Front Cover: Removable front cover with quick release buckle
- Note on installation: For installation, the profile depth in the cabinet may have to be adjusted
- Width: 100 mm
- Suitable for housing width: 800 mm
- Colour: grey
- RAL number: 7035
- Material: Steel
- Scope of delivery: 1 x vertical cable duct, cover, mounting material

Technical properties

Cabinet Series	PRO
Material	Steel
Model	Cable trough
Packaging	Cardboard
Scope of delivery	1 x vertical Cable trough, Cover, Mounting accessories
Structure/Use	For vertical cable routing along the side of the 19" shelf. Mounts to the side depth struts. Removable front cover with quick-release fastener. Note: The profile depth in the cabinet may need to be adjusted for installation.
