## Equipped Front Panel with 24 x SC Duplex Adapter OM4 vertical, black

### General data

Front panel for 19" splice boxes equipped with SC duplex adapters in the categories OM3, OM4 and OS2.

### Technical properties

|                                  |             |
|----------------------------------|-------------|
| Depth                            | 13 mm       |
| Height                           | 43.5 mm     |
| Material                         | Metal       |
| Number of height units           | 1 U         |
| Type of plug-in connector system | Fiber Optic |
| Width                            | 432 mm      |
| With buses/couplings             | True        |

### Available variants

| ArtNr.               | Bezeichnung                                                          | Category | Colour | Connection type backside | Connection type front side | Model               | Number of connector holes | Suitable for adapter | Assembly | RAL number | Note           |
|----------------------|----------------------------------------------------------------------|----------|--------|--------------------------|----------------------------|---------------------|---------------------------|----------------------|----------|------------|----------------|
